

Lane/5000

Create new retail checkout experiences with a world of Business Apps

- Enhance the purchasing experience by combining a large touchscreen display within a compact consumer-facing terminal
- Accelerate checkout by offering electronic signature and NFC acceptance
- Leverage a terminal designed for the most demanding retail environments

The most advanced designed-for-retail terminal, Lane/5000 combines payment acceptance and third-party apps to reinforce consumer engagement.

Highest security

The Lane/5000 is PCI-PTS 5.x certified. Its Telium TETRA OS uses the latest cryptographic schemes with future-proof key length. Additional anti-theft systems, such as Kensington locks, strengthen security.

All payment options

The Lane/5000 enables NFC couponing and wallet use cases, in addition to EMV Chip & PIN, Swipe & Sign and contactless.

User-friendly and intuitive interface

Featuring enriched multimedia capabilities and a 3.5" colour touch screen, Lane/5000 enhances interactivity with consumer during payment and business Apps operations.

Designed for retailers

Conceived for intensive retail usage, the Lane/5000 features a durable signature - capacitive screen, heavy-duty magstripe and smartcard readers optimized for transaction speed, and a multipoint connector for easy integration.

Built-in data capture capabilities

With its optional camera, the Lane/5000 enables alternative payment schemes and unlimited possibilities for business Apps.

Seamless NFC payment experience

The Lane/5000 makes NFC acceptance easy. Its dedicated and visible reader zone is enhanced with smooth backlit glass. This ergonomic reader offers consumers a seamless experience while improving retailer efficiency.

Electronic signature

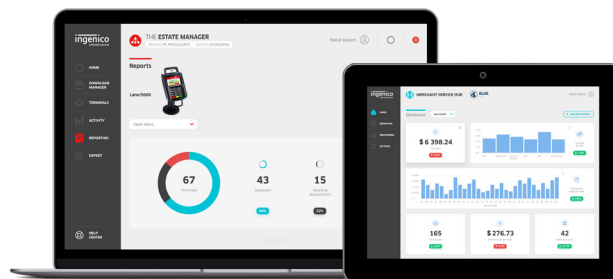

The Lane/5000 features durable signature capture capabilities for electronic payments, receipt storage and new business applications such as contracts, warranty programs and enrollment.

Compatible with Ingenico's suite of services

Keeping the solutions connected, the Lane/5000 works in unison with Ingenico's supporting service platforms, meaning merchants will have access to business services such as estate management reporting. Software updates and day-to-day support deliver a hassle-free experience.

Lane/5000 is supported by our Cloud Services

Processor	• Crypto & Crypto Processor	• Cortex A5	•
