

## CORPORATE FACTSHEET

# DIGITAL PAYMENTS FOR A TRUSTED WORLD

Worldline has been at the forefront of the digital revolution that is shaping new ways of paying, living, doing business and building relationships since we won the world's first contract for bank card transactions back in 1973.

Today, as an independent and highly innovative pan-European company with global reach, Worldline is a leader in the payments and transactional services industry. We design and operate successful digital payment and transactional solutions that provide secure payments and trusted transactional services along the entire payments value chain, enabling sustainable economic growth. Our solutions are environmentally friendly, widely accessible and support social transformation.

Through our global business lines Merchant Services; Terminals, Solutions & Services; Financial Services and Mobility & e-Transactional Services we provide our clients with next-generation, end-to-end solutions and a broad spectrum of outsourcing services, ensuring the security and operational excellence our clients and their customers can rely on, millions of times every single day.

We build long-term partnerships with our clients who include financial institutions, merchants of all sizes and segments, government authorities and companies in sectors ranging from transport, energy

and healthcare to hospitality, utilities and telecoms. Our clients choose Worldline because we enable transformation through transactions and services they and their customers can trust.

Our innovative solutions, rooted in a rock-solid technological base, anticipate the future and foster positive change to digitally empower every end user. Worldline's innovative capabilities are matched by the power and dependability of our platforms, the security of our solutions, our broad geographical reach and the quality of our services.
