

# Payment solutions for Travel Platform **Amadeus**

---

The Amadeus and Ingenico ePayments partnership provides a global integrated payment solution through the Amadeus Payment platform. Both Amadeus and Ingenico ePayments have invested their expertise to create a pre-built certified payment platform

---

## **Scalable, secure and reliable**

Whatever your expansion strategy is, a secure technology backbone allows you to grow with confidence. State-of-the-art data centers across the globe are readily available for you to plug into. We ensure optimal performance, security and uptime even during seasonal peaks, so you can focus your resources on your strategic initiatives.

## **Superior growth, superior economics**

Launch new sites faster, across channels, geographies and brands without purchasing additional licenses and investing in more infrastructures to support your growth. Our pricing model is predictable, transparent and aligned to your business goals. This keeps us focused and accountable to your ongoing success. There are no hidden fees. No surprises. With a total cost of ownership that is half the cost of licensed software, the superior economics are clear.

### The connection

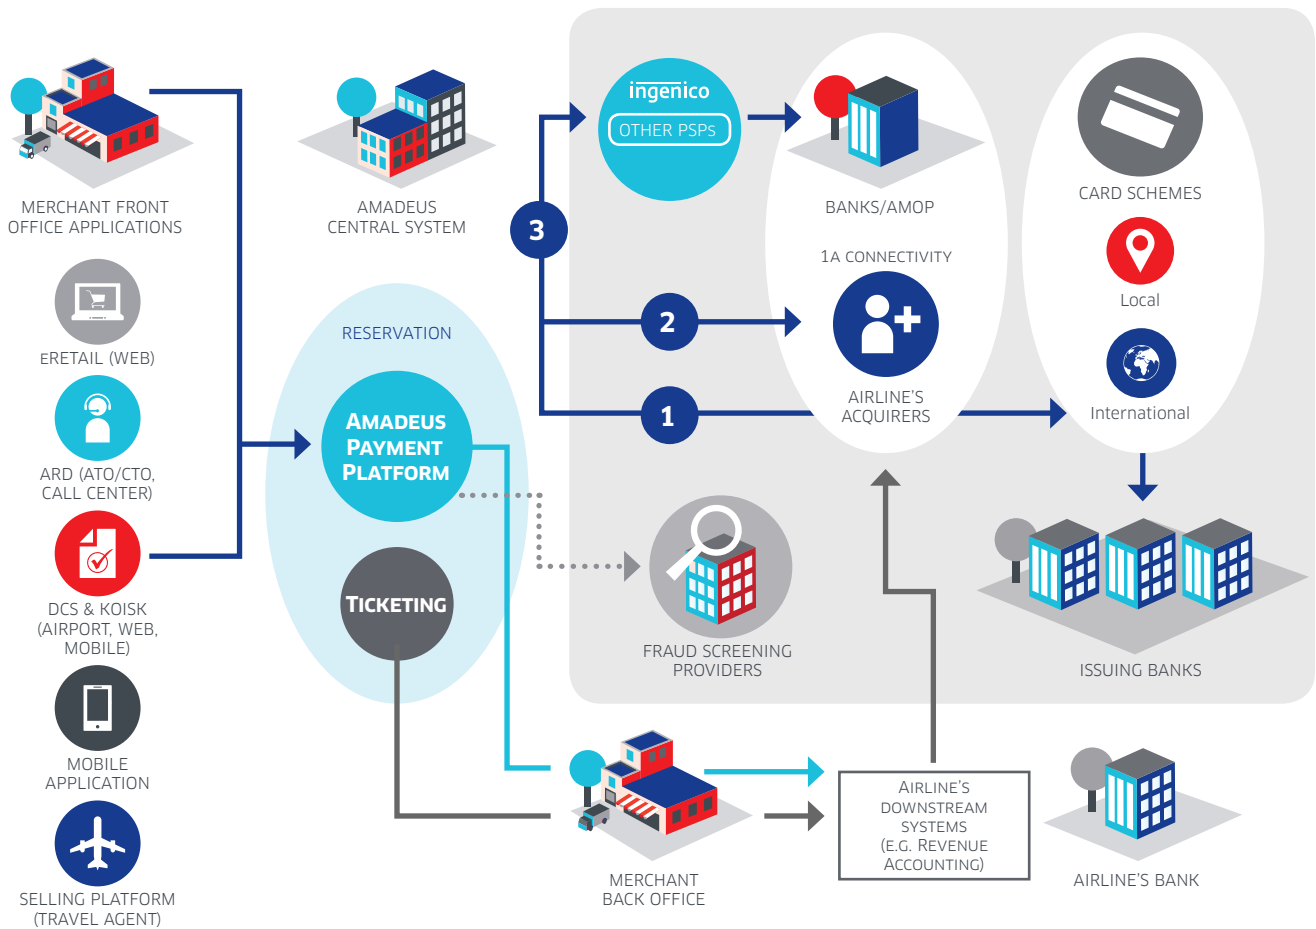

The Amadeus Payment Platform integration has been designed, built, tested and certified based on both Amadeus and Ingenico ePayments' best practices. The checkout process is enriched with a payment product choice, level 3 data and processed via Ingenico ePayments' network of acquirers and payment product providers. This includes capture payments, installments and error handling. The payment status is automatically updated into the PNR, and shown in the payment web console.

### Implemented payment products:

- Visa
- MasterCard
- American Express
- Discover
- JCB
- Maestro
- Solo
- Amop, including Paypal and real time banking (TBC)

### Integrated features:

- 3D-Secure through Amadeus
- Fraud screening by Amadeus
- Direct or delayed settlement
- Full service reporting
- PCI-DSS compliant
- Card on file/tokenization
- Customer service payment status update
- One-off (PNR)
- (Partial) refunds
